# Traveling & accommodation

## Traveling to Lübeck:

- The closest airport is Hamburg airport (Fuhlsbüttel). There are train connections from the airport to Lübeck with S-Bahn and Regional (RE) trains over Bad Oldesloe. Tickets can be bought from the machines at the airport. It will take about 1.5 hours to get to Lübeck.
- The German Railways have very nice offers for people reserving their tickets early. You can get your tickets from the big cities in the neighbouring countries (Copenhagen, Amsterdam) at their site [www.bahn.de](http://www.bahn.de).
- Of course you can use your car as well, there is a parking place next to the training location for the people using it.

## Accommodation:

- We are offering a possibility to sleep at the dojo. The cost is €12 per person per night including breakfast. The dojo is open from Friday to Sunday.

There are plenty of hotels and hostels here in Lübeck to choose from when you want to have more comfortable accommodation.
